

## HMSA Physical Medicine Program Provider Educational Webinars

HMSA is pleased to announce that we're expanding our partnership with Magellan Hawaii<sup>SM</sup> starting Jan. 1, 2023, to provide utilization management for outpatient rehabilitative and habilitative services (physical therapy, occupational therapy, and chiropractic) for HMSA members. Chiropractic services for HMSA Akamai Advantage<sup>®</sup> members don't require prior authorization. This program is consistent with industrywide efforts ensuring that physical medicine services provided to our members are consistent with nationally recognized clinical guidelines.

HMSA and Magellan Hawaii invite providers to attend an upcoming provider education webinar on the Magellan Hawaii Physical Medicine Program prior authorization process. There will be several one-hour webinar sessions that will take place on the following dates. You only need to attend one session.

All HMSA approved training/education materials will be posted on the Magellan Hawaii website at RadMD.com. For new users to access these web-based documents, a RadMD account ID and password must be created.

To get started, simply go to RadMD.com, click the New User button, select "Physician's office that orders procedures," and submit a "RadMD Application for New Account." Once the application has been processed and a password link is delivered by email from Magellan Hawaii, you'll need to create a new password. Links to the approved training/education documents will be among the RadMD Menu Options available after logging into the website.

HMSA and Magellan Hawaii look forward to working with you to ensure that your HMSA members receive physical medicine services delivered in a quality, clinically appropriate fashion.
